

Team Building Exercises, Activities, Games and Events for Schools Youth Groups and Young People

Welcome to Take Footsteps....

Take Footsteps is a family-run business which specialises in leadership and team building skills training for young people from schools and youth groups in the UK. We offer a number of programmes that we have developed with our clients over the years.

Our programmes, games, events and activities focus on a variety of lifeskills including and team building for young people such as:- Communication, Self-Awareness, Self-Esteem, Leadership, Teamwork, Individual Differences, Individual Responsibility, Sentivity to Others & Dealing with Change. These skills are taught using problem-solving exercises, team challenges and adventurous activities as a basis for the development of leadership and teamwork.

Take Footsteps works throughout the UK wirth young people of all ages helping them to improve thier life skills through our team building exercises, activities and events. We use professional, mature staff experienced in team facilitation.

As specialist providers of Team building events, activities, games and exercises for young people we are continuously in contact with the Adventurous Activities Licensing Authority, as all providers of adventurous activities for young people must be, and consequently audited for our safety procedures by a highly qualified external authority on a regular basis. Giving you the peace of mind that all our activities for young people are safe and secure.

So whatever your needs whether it be a Day out for your School or a Team building exercise for young members of a youth club we will be happy to help.
